Trinidad Crowded With Refugees-Strikers Assemble to Meet Militiamen.

Trinidad, Col. April 23.—After an announcement in Trinidad late to-day that all women and children entombed in the wrecked stope of the Empire Mine had been taken out in safety, came news that the Southwestern Mine had been attacked and twenty more miners, their wives and children and a number of guards had fled into the mine entiance to escape a half of lead.

The known death list to-night, as a result of the righting that started on Monlay, is twenty-nine. Twenty-one lives were lost on Monlay in the Ludlow hattle, four employes of the Victor-American Fuel Company are known to have been killed vesterday at belagua, and the bodies of four strikers killed yesterday and to-day in the against man in about aguilar are in the morgue at that place.

Strikers to-day cleared away the wrecking at the mouth of the Empire Mine, which was closed last night by dynamite explosions, and, after a parley with the entomber prisoners, conducted three women, two children and Superintensent William Wastell to a place of safety. J. W. Siple, president of the company, whose properties have been almost completely destroyed during the outbreak, and who with twenty of his men had been in the many vesterday, refused to sur-

embarrassment could arise from the postponement of the decision until such a time as action is absolutely necessary, as the grounds at any of the points offered can be prepared easily for the troops before they could assemble in large numbers.

It is the purpose of the Governor, in any event, in so far as the control of the matter may rest with thin, to provide arrangements for having soldiers in battalions or regiments to engage in target practice at the State Rifle Range near Virginia Beach. The rifle range was only receatly completed, at considerable expense, and the mobilization of troops for preparations for active service would mean busy times there. Whether the camp is pitched on the State Fair Grounds, in Norfolk, Peter sburg, if ampton or Newport News, squads of the militamen will do duty at the rifle range during the gixty-day period of preparation.

Het Contest for Camp.

Norfolk's claims for the camp were presented to the Governor by a committee headed by Major C. L. Wright and Delegate S. A. Woodward. Several available sites were offered near Norfolk.
